

### Bantex Strong-Line® Lever Arch File

Redecorate your office environment with our trusted lever arch file: filing brought alive using modern colour and style with durable quality materials. Bantex lever arch files comes with the unique **Strong-Line®** reinforced lower edge. Premium quality lever arch files with a heavyweight plastic covering for increased durability. A triple layer of sheeting provides extra protection to the files and leaves the surface of desks and cabinets without scratches. Metal finger pull lining and plastic reinforced bottom edge provide added durability without scratching work surfaces. The rado front cover lock mechanism holds the file closed, so that it stands without overtuning. Completely with interchangeable spine label and metal reinforced ring in spine. Supplied complete with compressor bar. Clear ticket holder on spine for easy identification of contents. Matches other Bantex plastic filing products.
